Dialectical Behavior Therapy (DBT) is an evidence-based treatment created by Dr. Marsha Linehan. DBT is designed for people to learn to manage their emotions and that building a life worth living is possible. DBT has proven effective in treating personality disorders, chronic depression, anxiety disorders, eating disorders, and addictions. Our DBT program includes weekly individual therapy, weekly skills training group, access to after-hours DBT phone coaching, and a DBT consultation team of committed and certified DBT therapists.
